## A R association for recorded sound collections S C May 10, 1975

## Dear ARSC Member:

I am pleased to announce the Preliminary Program for the 9th Annual Conference of ARSC to be held in Montreal, August 17-23, 1975. This will be a combined conference with the International Association of Sound Archives and the International Association of Music Libraries. ARSC members are invited to join receptions, concerts and excursions planned by the IAML Organizing Committee. Sessions of IAML are openfor ARSC members, unless for members only. IAML members are cordially invited to join IASA/ARSC sessions. Enclosed are all registration forms and lodging reservation forms. Please register as early as possible. There have been strong indications of a large registration. I hope ARSC will have a large representation present and I look forward to seeing all of you.
